CTA's range of purpose built portable access ramps have been designed to provide safe, easy access and improved manoeuvrability over simple kerbs, entry door rails, flights of steps and even access into and out of vehicles.

Suitable for wheelchair users, the vision impaired and those with limited mobility, Jetmarine products offer the added benefit of lightweight portability without compromising strength and durability.

Manufactured from lightweight Glass Reinforced Plastic (GRP), they are suitable for both internal and external applications, are maintenance free and can be erected very quickly to provide temporary, reliable and safe access.

They are also suitable for more permanent installations and by joining various plinths and platforms, access can be gained to increased heights and turning circles up to 180 degrees.

Custom systems can be built to solve even the most complex of situations.

KEY FEATURES

- Lightweight, maintenance free and exhibit exceptional strength and durability even in external conditions
- High carrying capacity of 250kg
- DIY, simple, quick and effective way of improving access in almost any situation with minimal down time.
- Can be adjusted to cope with uneven ground levels
- Hand rail options available to suit ramps and landings
- No sharp edges and easy to carry in fold-away position
- Contrasting, highly visible non-slip surface to ensure maximum safety

MATERIAL

Manufactured from non-corrosive Glass Reinforced Plastic with a non-slip surface.

APPLICATIONS

Easy access and improved manoeuvrability over simple kerbs, entry door rails, flights of steps and even access into and out of vehicles.

INSTALLATION

Simple, fast, DIY installation with little down time.

COMPLIANCE

All CTA products conform with the requirements of the Australian standards and have been tested by CSIRO.

- AS1428 Design for access mobility
- NCC - National Construction Codes

WARRANTY

CTA provides a comprehensive warranty, in accordance with our published warranty statement which can be viewed on cobbletac.com.

PRODUCT OPTIONS

	RAMP TYPE	LENGTH	INTERNAL TRACK WIDTH	OVERALL WIDTH	WEIGHT	PRODUCT CODE
1	Folding Threshold Ramp	1220mm	622mm	660mm	7kg	JMFDTR
2	Folding Scooter Ramp	1830mm	622mm	710mm	13kg	JMFSR
3	Euro Ramp 900	900mm	-	760mm	6kg	JMEURO900
4	Travel Ramp	700mm	740mm	780mm	3kg	JMBCR
5	75mm - Door Threshold Ramp	457mm	-	781mm	4kg	JMDTR-75
6	100mm - Door Threshold Ramp	457mm	-	781mm	4kg	JMDTR-100
7	125mm - Door Threshold Ramp	457mm	-	781mm	4kg	JMDTR-125
8	150mm - Door Threshold Ramp	914mm	737mm	820mm	8kg	JMDTR-150
9	Split Ramp - 610mm wide	1830mm	610mm	690mm	7kg each half	JMSR
10	Split Ramp - 760mm wide	1830mm	760mm	840mm	8kg each half	JMSR-760
11	Folding Channel Ramp Pair	1830mm	203mm	292mm	12kg Per Pair	JMPFCR
12	Wide Folding Door Threshold Ramp	1220mm	720mm	760mm	9kg	JMWFDTR
